On the rooftop of Belgium, the Belgium Peak Beer craft brewery has a wide range of beers with regional flavours. Brewed in the heart of the High Fens nature reserve, these beers come in no fewer than 9 different versions.

The brewery also has 3 meeting rooms for your business meetings or events, and offers a range of activities for team outings, including guided walks in the Fens (from 2.5 to 17 km), a tour to discover the secrets of brewing, and local delicacies to savour in the tasting room.
