Province de Liège

Fancy a teambuilding event that breaks the mould? Located in Awans, just a stone's throw from Liège, d-fool® offers an original indoor concept combining sporting challenges, immersive games and moments of relaxation in a decidedly offbeat setting.

The experience is organised around three key areas: an Arena for team challenges with tournaments and a final podium, an Amuzbar to make the fun last in a friendly atmosphere with teambuilding games and a drink, and The Beach, a fully equipped mezzanine suitable for meetings or business meals.

Flexible and modular, the offering caters for groups of 5 to 200 people and adapts to suit all budgets. Easily accessible, this venue features a large free car park, comfortable facilities and trilingual staff, providing a turnkey experience that fosters cohesion and team spirit.
