Evasion Room invites you to enjoy an innovative and exciting team experience. This fun space can host 20 players while being ideally situated right in the centre of Liège.

This activity immerses the players in worlds that are both varied and unexpected. You will be shut in a strange room and have to solve clues. The team will be there to advise you and guide you in choosing the escape room that suits you best, as you wish. You will also be able to book an urban Escape Game.
