Bring your staff together around traditional wooden games with Event Box and rediscover the joy of playing together and having fun. This provider offers this original concept, combining amusement, cooperation and team spirit through around fifty carefully selected games.

Work in teams to tackle challenges, build up points and share a bonding experience during a teambuilding event, a corporate function or a garden party. With Event Box, authenticity and simplicity take centre stage: games that require no electricity, led by an enthusiastic local team, for a fun and lasting memory.
