An iconic and unexpected site at the historic centre of Liege, this former private mansion is perfect for your conferences, seminars and other receptions.

It features two separate areas which extend over 650 m² and are completely modular to suit your needs.

The first area, the Hôtel de Clercx, has a surface area of 400 m² while the second, the Régina, spans a surface area of 250 m².

The Wi-Fi accessible across the site, a champagne bar with preferential rates and many car parks nearby will convince you to choose this venue which is certainly one of the most unusual places in the Fiery City.

JUST SAY **MICE**

AND WE'LL TAKE CARE OF THE REST!
