Located a stone's throw from Place Saint-Lambert, Luyck Urban Winery is an urban wine cellar that offers an immersion in the world of wine and is perfect all types of events, whether an evening party or product presentation.

If you opt for the tasting and meal package, you will have the use of a particularly well-equipped room with a beamer, flipchart, microphone, overhead projector and screen. This experience will enable you to savour no fewer than five unique wines that have been carefully selected.

Enjoy an unforgettable flavour and aromatic experience in historic cellars that are listed as heritage sites and have been carefully renovated to preserve their authenticity.
