Inaugurated in the autumn of 2023, and nestled in an industrial estate steeped in history, the OM is a multi-purpose venue capable of hosting all your events (concerts, receptions, conferences, meetings and galas), with state-of-the-art acoustics and equipment. You will find three rooms of different sizes and capacities.

This complex is also close to major roads and is well served by public transport options. It also offers ample free parking with 850 spaces.
