Located in Ouffet, OrigiNell is an inspiring setting that combines a warm welcome, a social cause and corporate services. This inclusive project was created by Florence and Jean-Marc Delbovier to provide a semi-independent home for their daughter, Nell, and now also hosts meetings, seminars and teambuilding events. Activities range from nature walks to an escape game, as well as collaborative experiences.

OrigiNell boasts a natural setting that encourages relaxation, an adaptable meeting room, a covered terrace spanning 150 m<sup>2</sup>, personalised catering, free parking and a local grocer's shop.

Choosing OrigiNell means enjoying an incredible experience that blends quality and flexibility, all while supporting a project aimed at extraordinary young women.
