Province de Liège

What if your next teambuilding event took to the treetops? In Spa, surrounded by nature, SpaForest transforms your corporate events into thrilling adventures combining challenges, team spirit and the great outdoors.

High-ropes courses, zip lines, suspension bridges, puzzle games, orienteering, bike rides, e-mountain biking or electric scooters: a whole host of activities designed to boost agility, logical thinking and team spirit, whilst providing your teams with plenty of fun.

Tailored for businesses, these experiences can be customised to suit your needs. Between challenges, enjoy the scenery of Spa or discover local businesses, such as the SPARSA brewery. Professional, trilingual staff, along with free parking for around fifty vehicles, ensure your employees or clients receive a warm welcome.
