Province de Liège

Located in the heart of Liège, in the Îlot Saint-Michel district, The VEX Liège offers a 600 m² space entirely dedicated to virtual reality. Easily accessible by car or public transport, this innovative and informal venue welcomes your employees for teambuilding events, incentive trips or meetings.

Much more than mere entertainment, the activities on offer enhance communication, team cohesion and group discussions. Escape games, cooperative challenges and 4D sensory experiences immerse participants in captivating worlds.

The centre also provides a fully equipped meeting room, catering options and bespoke support. Thanks to its flexible concept, The VEX Liège can host your teams on-site or come directly to your premises. With its central location, nearby car park and attentive team, it's the ideal partner for an innovative and memorable corporate event that brings people together.
