In Liège, the Hotel Van der Valk Liège Congrès, together with the Liège Congress Centre, form a major hub for hosting professional events. Seminars, meetings and banquets can be held in a modern and setting that's easily accessible, just a stone's throw from the park and La Boverie.

The hotel has several function rooms, including three banquet halls that can accommodate up to 250 people, some with terraces and views of the Meuse. Larger events can be held at the Palais des Congrès, located on the same esplanade.

With its 219 rooms, suites and apartments, brasserie-restaurant and terraces, the hotel offers a comprehensive range of facilities for business stays, rounded off by a wellness & fitness area with an indoor swimming pool and a Sky Bar offering a remarkable view of the city and Guillemins station.
